What is a Government Document?
Display to Commemorate the 50th Anniversary
For USA Libraries as a Federal Depository Library

A government document is an official publication of a government agency. Within the federal government, they are issued by all three branches and quasi-agencies. Typical government documents include laws & judicial cases, rules & regulations, census publications, technical reports, agencies’ annual reports, and so much more. This display shows the various formats and the variety of topics that are government documents.
